I understand and acknowledge that Becki's Home Referral Service is a referral service and will refer contractors who have been screened, consistent with Becki's Home Referral Service program to be considered by me to accomplish a job that I described to a representative of Becki's Home Referral Service. Any arrangements made, or contracts negotiated are strictly between me and the contractor. I understand that the contractors referred are independent of Becki's Home Referral Service. Becki's Home Referral Service has not made any representation to me as to the work to be performed or the nature or quality of the work anticipated to be accomplished. I agree to satisfy myself that the contractor meets the standards of work I require. I hereby hold Becki's Home Referral Service harmless from any defect in workmanship, default, damage injury or expense arising out of the work performed by a contractor referred and hired by me.
